

CARES Act at Pepperdine Student Application Form

Pepperdine University has received student emergency assistance through the Coronavirus, Aid, Relief, and Economic Security (CARES) Act. The Federal CARES Act allocates funds to support eligible students that have been affected by the pandemic and economic downturn. These funds will help cover COVID-19 related expenses such as food, housing, course materials, technology, health care, and child care. We have established a maximum funding threshold for eligible students to ensure that these funds are distributed as widely as possible.

Students who are Title IV eligible under Section 484 of the Higher Education Act (HEA) may receive CARES Act funds. Please note: Students that currently are or were enrolled exclusively in an online program prior to March 13, 2020, are not eligible for the CARES Act grant. If you are not eligible for the CARES Act grant you may contact the Student Care Team at studentcareteam@pepperdine.edu to receive information about resources and additional emergency aid.

All applications for the CARES Act grant are due by 5:00 PM on May 31, 2020.
