

**CITY OF PASADENA HEALTH OFFICER ORDER
FOR THE CONTROL OF COVID-19**

**FOURTH SUPPLEMENT TO REVISED – SAFER AT HOME ORDER FOR
CONTROL OF COVID-19 ISSUED ON MARCH 22, 2020, AND
SUPPLEMENTS ISSUED APRIL 11 AND MAY 15 AND 26, 2020**

This Order Issued: May 29, 2020

This Order is in effect until rescinded in writing by the Health Officer.

Please read this Order carefully. Violation of or failure to comply with this Revised Order is a crime punishable by fine, imprisonment, or both. (California Health and Safety Code §120295.)

SUMMARY OF THE ORDER: California is in a State of Emergency because of the COVID-19 pandemic. The spread of Novel Coronavirus (COVID-19) is a substantial danger to the health of the public within the City of Pasadena. COVID-19 can easily spread between people who are in close contact with one another. Everyone is at risk for becoming ill with COVID-19, but some people are more vulnerable to serious illness, including pneumonia and organ failure, or death, due to their age, physical state, and/or health status.

The City of Pasadena Health Officer (“Health Officer”) has issued a number of Orders to help slow COVID-19's spread, protect vulnerable individuals, and prevent the healthcare system in the City of Pasadena from being overwhelmed. The Revised Safer at Home Orders, dated March 22, 2020 and supplemented April 11 and May 15 and 26, 2020, issued by the Health Officer, as well as other “Safer at Home” orders issued by other jurisdictions have been proven to slow the spread of COVID-19.

This Order is a limited and measured step to allow the limited re-opening of dine-in restaurants, hair salons, and other businesses, following guidance to prevent the spread of COVID-19.

On May 29, 2020, the California Department of Public Health approved the County of Los Angeles' Variance Attestation Form. The County included the City of Pasadena within its Variance Attestation Form. This Order is issued by the Health Officer through the authority of the Governor's May 4, 2020 Executive Order N-60-20, which directed the State Health Officer to establish criteria for

local health officers to implement the re-opening of businesses and spaces. Pasadena is a local health department with a local health officer, and may therefore implement re-openings as mentioned by the Governor, where appropriate.

UNDER THE AUTHORITY OF THE CALIFORNIA HEALTH AND SAFETY CODE SECTIONS 120175 et seq., AND THE PASADENA MUNICIPAL CODE SECTION 8.04.010, THE CITY OF PASADENA HEALTH OFFICER ORDERS:

1. This Order allows for limited reopening of certain businesses and is consistent with the current Order of the State Health Officer. This Order amends and supplements the March 22, 2020 Revised Safer at Home Order, as supplemented April 11 and May 15 and 26, 2020. With the exception of the re-openings permitted below, nothing in this Order shall be construed as superseding prior orders of the Health Officer.
2. This Order's intent is to continue to ensure that City residents remain in their residences as much as practicable, to limit close contact with others outside their households in both indoor and outdoor spaces. All persons who can telework or work from home should continue to do so as much as possible during this pandemic. Nothing in this Order prohibits members of a single household from engaging in activities together, but gatherings of people who are not part of a single household or living unit are prohibited within the City of Pasadena Public Health Jurisdiction, except for the limited purposes expressly permitted by this Order.
3. People leaving their residences as permitted by this Order must strictly comply with physical distancing measures, including: maintaining six feet or more of distance between individuals from different households, frequently washing hands with soap and water for at least 20 seconds or using hand sanitizer that contains at least 60 percent alcohol, and wearing a cloth face covering whenever there is or can be contact with others who are non-household members in both public and private places for the purposes of source control.

Services that cannot be performed with face coverings on both the worker and customer or that require touching the customer's face, e.g., eyelash services, eyebrow waxing and threading, facials, etc., must be suspended until those types of services are allowed to resume. Re-opening is subject to compliance with and implementing protocols as set forth at <https://www.cityofpasadena.net/covid-19/#guidance-and-faq>.
