Recommended Staggered Move-Out
for Optimal Social Distancing

During this time, we recommend the following schedule for your check-out to optimize social distancing during the move-out process. We understand that you may have already made arrangements for your move-out date, and may not be able to arrive/leave on the dates that we have recommended. Please monitor and exercise your own social distancing during the move-out process. Additionally, please communicate directly with your suitemates/roommates about when they plan to move-out to avoid overlap.

Please use the charts below to identify your recommended check-out time based on your bedroom
