

# SCRANTON SPREADING CHEER

Scranton students from K-12 through College/University are encouraged to create artistic greetings – whether pictures, paintings, cards and/or other messages – to be shared with older adults in residential centers who due to COVID-19 are unable to receive in-person visitors.

## ♥ HOW WILL IT WORK?

- Create your artistic greeting
- Take a photo or scan it
- Send the file to [community@scranton.edu](mailto:community@scranton.edu)

University of Scranton staff and volunteers will coordinate sending these greetings to residents of the Jewish Home of Eastern Pennsylvania and other partners who will print and share them.

## Start Spreading Cheer!
