Subject: Extension in deadline to elect P/NC for classes

Greetings TCU undergraduate and graduate students,

We hope the semester is going well and that you have adjusted to working remotely this semester. We miss you and hope you are finding ways to stay engaged with your friends, faculty and staff at TCU. In our continued efforts to students' success, we have extended the deadline to elect P/NC for classes this semester, Spring 2020, **until May 15th**, after finals and class grades have been determined. We realize that most students will have decided whether to elect P/NC before that date, but wanted to do everything we can to support you, our Horned Frogs as you finish the semester.

Please review the following links for updated information for extended deadline to elect P/NC for the Spring 2020 semester.

Please reach out to your academic advisor if you have additional questions.

Finally, we hope you are safe and well and we look forward to welcoming you back to campus in August! In the short run, maintaining our engagement with each other and meeting our learning objectives continues to be our highest priority for our students. Please let us know how you are doing, what innovative and creative ways you are staying connected to each other and what your challenges and successes are. We look forward to hearing from you!

Sincerely,
