

HELP PREVENT THE SPREAD OF COVID-19!

**Before coming to work,
ask yourself these 5 questions:**

1. Have you been in **close contact** with a confirmed case of COVID-19?
2. Are you experiencing a **cough, shortness of breath** or **sore throat**?
3. Have you **had a fever** in the last 48 hours?
4. Have you had new **loss of taste** or **smell**?
5. Have you had **vomiting** or **diarrhea** in the last 24 hours?

If you have answered yes to any of the questions,
**please contact your supervisor
and seek medical treatment.**
