From: Smith, John D.

This note is being sent on behalf of Mary Elizabeth Miles.

Dear HRAC Members:

Thank you for your continued partnership during this challenging time. With all the uncertainty surrounding the unemployment process, HR has been sending unemployment process questions to the Kentucky UI office on behalf of our impacted employees. We have created a website to capture these questions and answers and are posting them as we receive them. The [Pending Unemployment Questions](#) webpage will be continuously updated to keep everyone informed, as close to real time as possible. We will also continue to update our [COVID-19 FAQ](#) page with information regarding furloughs and other cost savings initiatives. I am humbly requesting your assistance, as representatives of the HR Advisory Committee, to help us spread the word that these resources exist. Thank you for your continued support! Stay safe and healthy.

Sincerely,
mem
