Accessing Emory Learning Management System (ELMS)

Click ELMS Login button on the left menu of this web page or go to:

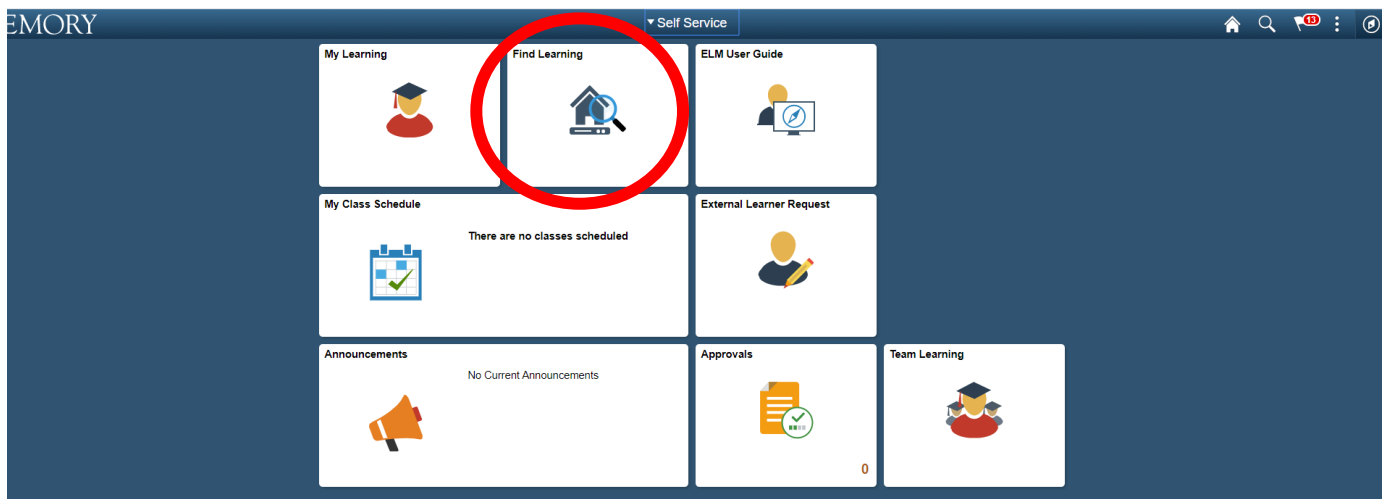

<http://elmprod9.emory.edu>

Login to the ELMS using your Network ID and Password. IDs assigned for sponsored accounts are not for use in the ELMS. If you are not an Emory employee or student and are required to take classes in the ELMS, please contact the class administrator to request that an External Learner profile with a user ID be created for your use.

The login page features the Emory University logo and the title "Emory Learning Management System". It includes input fields for "Network ID" and "Password", and a "Login" button. To the right, there is a section for "University Employees: Forget Password?", "Healthcare Employees: Forget Password?", and "Other issues logging in?", with a link to "Click here to access the ELMS Users Guide." Below this, a message states: "If you have any questions, problems, or comments, please contact the Emory University Service Desk at (404) 727-7777 or the Emory Healthcare Service Desk at (404) 778-4357 (8-HELP). You may also submit an IT support request at <http://help.emory.edu/>." At the bottom, a disclaimer reads: "You are about to access a computer system maintained or made available by Emory University and/or Emory Healthcare that is intended for authorized users only. Unauthorized use of this system is strictly prohibited and may be subject to criminal prosecution. By proceeding, your use of this system constitutes your acceptance of Emory's IT Conditions of Use and other applicable policies and your consent to monitoring, retrieval, and disclosure of any information within this system for any purpose deemed appropriate by Emory University or Emory Healthcare, including law enforcement purposes and enforcement of rules concerning unacceptable uses of this system."

Once logged in, go to the Self Service Screen, and click on the Find Learning Tile:
